1. Editais e chamadas no exterior

Item	Agência (Instituição) / Assunto	Resumo / Objetivo (Descrição)	Quem pode se candidatar (Elegibilidade)	Link	Data limite para submissão	Tipo de submissão
1.	A.J. Muste Memorial Institute - International Nonviolence Training Fund (INTF) EUA	The International Nonviolence Training Fund (INTF) aims to specifically support nonviolence trainings which prepare participants for specific nonviolent actions or campaigns. Nonviolence trainings seek to help people develop and improve the skills they need to confront systemic injustice through organized, principled, nonviolent action. Trainings promote the exchange of ideas, information, and strategies, through which activists can become more effective at using nonviolent action in their struggles. Contatos intf@ajmuste.org	The INTF only supports nonviolence trainings outside the United States, and within Native nations in the US. Projects eligible for support include: 1. Those which prepare participants for specific nonviolent actions or campaigns; 2. Those which build capacity and leadership among people engaged in nonviolent struggles; 3. Those geared to "training the trainers," in order to expand and multiply nonviolence training throughout a targeted community.	https://ajmuste.org/programs	03 set. 2021 03 dez. 2021	On-line. Todos os documentos necessários para a candidatura devem ser enviados por e-mail para o endereço: intf@ajmuste.org
2.	Alliance of International Science Organizations (ANSO) - The ANSO Scholarship for Young Talents China	The Alliance of International Science Organizations (ANSO) is a non-profit, non-government international organization founded in 2018. Founding members include 37 scientific institutions, universities, and international organizations worldwide. ANSO aims to improve regional and global capacity in science and technology, human livelihoods and wellbeing, and to promote broader S&T cooperation and communication. The ANSO Scholarship for Young Talents (hereinafter referred to as the ANSO Scholarship) was formally launched in 2019 with the goal of training and cultivation of young scientists from all over the world. The ANSO Scholarship supports 200 Master's students and 300 PhD students every year to pursue postgraduate education at the University of Science and Technology of China (USTC), the University of Chinese Academy of Sciences (UCAS) or institutes of Chinese Academy of Sciences (CAS) around China. Contatos 1) Applicants for USTC, please contact: Ms. Lin Tian (Linda Tian) ANSO Scholarship for Young Talents USTC Office University of Science and Technology of China 96 Jinzhai Road, Hefei, Anhui, 230026 China Tel: +86 551 63600279 Fax: +86 551 63603531 Email: isa@ustc.edu.cn 2) Applicants for UCAS, please contact: Ms. Yuchen Xie (PhD Program) ANSO Scholarship for Young Talents UCAS Office University of Chinese Academy of Sciences 80 Zhongguancun East Road, Beijing, 100190, China Tel: +86 10 82674900 Fax: +86 10 82672900 Email: phd@ucas.ac.cn Ms. Menglin Hu (Master's Program) ANSO Scholarship for Young Talents UCAS Office University of Chinese Academy of Sciences 80 Zhongguancun East Road, Beijing, 100190, China Tel: +86 10 82672900 Fax: +86 10 82672900 Email: master@ucas.ac.cn	Eligible applicants must: • Not hold Chinese citizenship; • Be proficient in English or Chinese; • For master's program applicants: be born after 1 January 1991 (inclusive); • For PhD program applicants: be born after 1 January 1986 (inclusive); • Meet the admission criteria for international students of USTC/UCAS; • Not take up other assignments during the period of his/her scholarship.	http://www.anso.org.cn/programmes/talent/scholars-hip/	30 abr. 2021	On-line. 3.	Andrew W. Mellon Foundation - Grant Proposals 2021 EUA	The Andrew W. Mellon Foundation endeavors to strengthen, promote, and, where necessary, defend the contributions of the humanities and the arts to human flourishing and to the well-being of diverse and democratic societies. To this end, it supports exemplary institutions of higher education and culture as they renew and provide access to an invaluable heritage of ambitious, path-breaking work. The Foundation supports Grant Proposals in a wide range of initiatives to strengthen the humanities, arts, higher education, and cultural heritage.	Organizations from any country may apply.	https://mellon.org/grants/grantmaking-policies-and-guidelines/	Fluxo contínuo	On-line, pelo endereço eletrônico: https://mellon.fluxx.io/user_sessions/new

		Organizations in those fields can consult descriptions of the Foundation's Areas of Grantmaking to determine whether a project fits within the Foundation's programmatic interests and mission. Contatos inquiries@mellon.org				
4.	Deutsches Museum - Scholar-in-Residence Program 2021 Alemanha	The Deutsches Museum in Munich has several attractive Scholar-in-Residence Program to offer research scholars interested in working for six or twelve months on projects involving the museum's vast and heterogeneous collections. The Scholarship programme is international and interdisciplinary in scope. During their stay, visiting scholars will have daily contact with the museum's curators, archivists and librarians, as well as members of the Münchner Zentrum für Wissenschafts- und Technikgeschichte. Contatos Andrea Walther: a.walther@deutsches-museum.de	- Scholars at any level of seniority are eligible to apply, provided they have at least one university degree (Master or PhD); - BA is not sufficient; - There are no restrictions regarding nationality.	http://www.deutsches-museum.de/en/research/scholar-in-residence	20 abr. 2021	Os documentos devem ser enviados para o endereço: Andrea Walther Coordinator of the Research Institute Deutsches Museum 80306 Munich-Alemanha
5.	DRK Foundation – Funding EUA	Through the Funding, the DRK Foundation seeks to dramatically improve the lives of people and the world around us through innovative strategies, systems changing approaches, and disrupting technologies. The Foundation goal is to find social entrepreneurs with dynamic ideas and nurture them at the early stages with maximum leverage and total commitment. Contatos info@drkfoundation.org https://www.drkfoundation.org/about/contact/	DRK Foundation funds: - Leaders tackling important social issues that can make a difference in the lives of many; - Models that have the likelihood to be able to scale.; - Social enterprises in the early stages of their development where DRK involvement (financial, as a board member and through other support) can make a real difference; - On average, organizations are one-three years old and the leader is prepared to execute an ambitious plan; - Social enterprises that are national or global in reach and/or social issue; - Domestic (U.S.) and international organizations; - It supports non-profit, for-profit and hybrid social enterprises.	http://www.drkfoundation.org/apply-for-funding/submit-an-application/	Fluxo contínuo	On-line, pelo endereço eletrônico: https://www.tfaforms.com/4840745
6.	Front Line Defenders - Front Line Defenders Award for Human Rights Defenders at Risk 2021 Irlanda	Front Line Defenders was founded in Dublin in 2001 with the specific aim of protecting human rights defenders at risk (HRDs), people who work, non-violently, for any or all of the rights enshrined in the Universal Declaration of Human Rights (UDHR). The Front Line Defenders Award aims to honour the work of HRDs who are courageously making outstanding contributions to the promotion and protection of the human rights of others, often at great personal risk to themselves. The Award focuses international attention on the work and struggles of HRDs, providing a greater national and international platform to speak about and advocate for the human rights issues they are defending. Contatos campaigns@frontlinedefenders.org	The nomination process is open for anyone to submit a nomination of a human rights defender, collective, organisation or community working on any human rights issue and facing significant risk due to their work or operating in an environment that itself is characterised as insecure. For each region of the world (Africa; Americas; Asia-Pacific; Europe & Central Asia; and Middle East & North Africa) there will be one winner selected and Front Line Defenders will recognize all five as the 2021 Front Line Defenders Award Laureates.	https://www.frontlinedefenders.org/en/front-line-defenders-award	30 abr. 2021	On-line, pelo endereço eletrônico: https://www.frontlinedefenders.org/en/secure/nomination.php?l=en
7.	Gerda Henkel Foundation - Research Scholarship 2021 Alemanha	The Gerda Henkel Foundation, established in 1976, concentrates its support on the historical humanities. The Research Scholarship is usually applied for by one scholar who will work on a specific project on his own. Research projects in the following fields are supported in particular: - Archaeology; - Art History; - Historical Islamic Studies; - History; - History of Science; - History of Law; - Prehistory and Early History. Contatos Anna Kuschmann, M.A.: kuschmann@gerda-henkel-stiftung.de Charlotte Lips, M.A.: lips@gerda-henkel-stiftung.de	The applicant must hold a PhD awarded not more than ten years earlier or be eligible to be a junior professor. Applications for research scholarships can be made directly by Postdocs or scholars with Post Doctoral Lecture Qualification. A research scholarship is usually applied for by one scholar who will work on a specific project on his own. An institutional affiliation is not necessary. The simultaneous receipt of salary or retirement pension and a research scholarship is not possible. Candidates can apply regardless of their nationality and place of work.	https://www.gerda-henkel-stiftung.de/en/researchscholarships	02 jun. 2021	On-line, pelo endereço eletrônico: http://www.gerda-henkel-stiftung.de/en/researchscholarships
8.	Harry Frank Guggenheim Foundation - Research Grants EUA	The Harry Frank Guggenheim Foundation was established to support research on violence, aggression, and dominance. The foundation, through the Research Grants, welcomes proposals from any of the natural and social sciences and the humanities that promise to increase understanding of the causes, manifestations, and control of violence and aggression. Highest priority is given to research that can increase understanding and amelioration of urgent problems of violence and aggression in the modern world. Contatos info@hfg.org	Applicants for a research grant may be citizens of any country. While almost all recipients of the research grant possess a Ph.D., M.D., or equivalent degree, there are no formal degree requirements for the grant. The grant, however, may not be used to support research undertaken as part of the requirements for a graduate degree. Applicants need not be affiliated with an institution of higher learning, although most are college or university professors. The foundation awards research grants to individuals (or a few principal investigators at most) for individual projects and does not award grants to institutions for institutional programs.	https://www.hfg.org/rg/guidelines.htm	01 ago., anualmente	On-line, pelo endereço eletrônico: https://www.grantinterface.com/Home/Logon?urlkey=hfg
9.	IBM Center for The Business of Government - Research Report Stipends 2020 EUA	The aim of the Research Report Stipends is to tap into the best minds in academe and the nonprofit sector who can use rigorous public management research and analytic techniques to help government leaders and public managers improve the effectiveness of government. The Center is looking for very practical findings and actionable recommendations, not just theory or concepts, in order to assist executives and managers to more effectively respond to mission and management challenges. Contatos Daniel J. Chenok: businessofgovernment@us.ibm.com	Individuals working in universities, nonprofit organizations, or journalism.	http://www.businessofgovernment.org/node/2688	01 jun. 2021 e 04 out. 2021	On-line, pelo endereço eletrônico: https://form.jotform.com/81724805544156
10.	Industrie Forum Design - iF Social Impact Prize 2021	Founded in 1953, iF International Forum Design GmbH is known as one of the oldest truly independent design institutions in the world. The iF Social Impact Prize aims to publish and support projects that contribute to the society.	Companies, design studios, NGOs, foundations, public and other organizations are welcome to submit.	https://ifworlddesignguide.com/awards/participate/if-	Fluxo contínuo. Os vencedores serão anunciados em 27 de maio de 2021 e 18 de	On-line, pelo endereço eletrônico: https://my.ifdesign.de/auth/login?redirect=aHR0cHM6Ly9teS5pZmRlc2lnbi5kZS93d3c3bXlfaWYvY

11.	Latin American, Caribbean and Iberian Studies Program (Lacis) - Tinker Visiting Professorship EUA	The Latin American, Caribbean and Iberian Studies Program (Lacis) invites nominations to Tinker Visiting Professorship. Tinker professors are highly distinguished scholars who are citizens of Latin America, the Spanish-speaking Caribbean, Spain, Portugal, or Canada. Tinker professors are required to teach or co-teach one course at University of Wisconsin-Madison during the semester of residence and to present a public lecture. The program is an excellent means to relieve curriculum gaps, complement departmental strengths, and establish informal collaborations among faculty and students. Contatos lacis@lacis.wisc.edu	Tinker professors are highly distinguished scholars who are citizens of Latin America, the Spanish-speaking Caribbean, Spain, Portugal, or Canada. Should a candidate be a Canadian, he or she must specialize in Latin America or the Caribbean. Distinguished public officials, artists, and musicians are also eligible.	https://lacis.wisc.edu/funding/for-faculty/	Fluxo contínuo, mas pelo menos 1 ano antes do início da estada	On-line. Nomeações devem ser enviadas por e-mail, para o endereço: lacis@lacis.wisc.edu
12.	Leakey Foundation - General Research Grants 2021 EUA	The mission of the Leakey Foundation is to increase scientific knowledge, education, and public understanding of human origins, evolution, behavior and survival. The Leakey Foundation was formed to foster research into human origins. Research Grants are awarded twice annually (in May and December) and constitute the majority of the Foundation’s grant program. The Foundation funds research related specifically to human origins. Priority of funding is commonly given to exploratory phases of promising new research projects that meet the stated purpose of the Foundation. Contatos grants@leakeyfoundation.org	Advanced doctoral students (advanced to candidacy - all but dissertation) and established scientists are eligible for general research grants. There are no citizenship or geographic restrictions. Brazilians can apply.	http://www.leakeyfoundation.org/research-grants/	15 jul. 2021	On-line, pelo endereço eletrônico: https://leakeyfoundation.org/grants/research-grants/apply-online/
13.	National Institutes of Health (NIH) - Mechanism-Focused Research to Promote Adherence to Healthful Behaviors to Prevent Mild Cognitive Impairment (MCI) and Alzheimer’s Disease and Related Dementias (AD/ADRD) (R01) EUA	The Funding Opportunity Announcement (FOA) invites applications for ancillary studies that address psychological and interpersonal mechanisms driving adherence to behavior or lifestyle change relevant to the prevention of cognitive decline, Mild Cognitive Impairment (MCI), and Alzheimer's disease and Alzheimer's disease-related dementias (AD/ADRD). Successful applications will seek to identify malleable, mechanistic, psychological, or interpersonal targets that - if modified - will strengthen adherence to, maintenance of, and continued/renewed engagement in behaviors that may promote cognitive health and prevent AD/ADRD. Applicants can access the FOA here: R01. Valor financiado Application budgets are not limited but need to reflect the actual needs of the proposed project. The maximum project period is five years. Forma de solicitação It is critical that applicants follow the instructions in the SF424 (R&R) Application Guide. Applicants must read and follow all application instructions in the Application Guide as well as any program-specific instructions noted in Section IV of the R01 or Section IV of the R21. There are several options available to submit the application through Grants.gov to NIH and Department of Health and Human Services partners. Candidates must use one of the submission options to access the application forms for the opportunity: Use the NIH ASSIST System to prepare, submit and track the application online; Use an institutional system-to-system (S2S) solution to prepare and submit the application to Grants.gov and eRA Commons to track the application. Applicants should check with their institutional officials regarding availability; Use Grants.gov Workspace to prepare and submit the application and eRA Commons to track the application. For more information on Application Submission and Receipt, applicants must visit Frequently Asked Questions - Application Guide, Electronic Submission of Grant Applications. Contatos <u>Application submission contacts:</u> Finding Help Online; General Grants Information: GrantsInfo@nih.gov; Grants.gov Customer Support: support@grants.gov. <u>Scientific/Research Contact:</u> Luke Stoeckel: luke.stoeckel@nih.gov.	Non-domestic (non-U.S.) Entities (Foreign Institutions) are eligible to apply.Foreign (non-US) institutions must follow policies described in the NIH Grants Policy Statement, and procedures for foreign institutions described throughout the Application Guide. Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Project Director/Principal Investigator (PD/PI) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for NIH support. Applicants must have a valid Dun and Bradstreet Universal Numbering System (DUNS) number in order to begin each of the following registrations: Central Contractor Registration (CCR), Grants.gov and eRA Commons.	https://grants.nih.gov/grants/guide/pa-files/PAR-21-207.html	Letter of Intent Due Date: 30 days before the application due date. Application Due Dates: September 15, 2021 and January 26, 2022, 5:00 PM local time of applicant organization. Expiration Date: January 27, 2022.	On-line https://public.era.nih.gov/assist/public/login.era?TARGET=https%3A%2F%2Fpublic.era.nih.gov%2Fassist%2F
14.	New Earth Foundation - Innovative Environmental Initiatives EUA	The New Earth Foundation was founded in 1997 by John Bigelow Loveland, who upon receiving a family inheritance dating back to his great-grandfather, a self-made magnate in nickel mining, decided to donate it toward benevolent, peace, and harmony furthering processes. Through the Innovative Environmental Initiatives, the New Earth Foundation seeks to fund innovative projects that enhance life on our planet and brighten the future, furthering peace. Observações Candidatos brasileiros devem contatar a NEF antes de submeterem a carta de intenção. Contatos https://www.newearthfoundation.org/contact.html	Smaller, newer 501(c)(3) organizations are the focus of grants given, so that the foundation’s gift can make a more significant contribution to the work of the recipient organization. The project must: - Meet NEF’s Vision and Mission; - Be innovative, new, pioneering, even ingenious; - Transform an aspect of society and provide practical solutions; - Fulfill an important and persisting need; - Outline one specific undertaking with clearly defined goals, implementation plan and expected results;	https://www.newearthfoundation.org/apply.html	01 maio e 01 out., anualmente	On-line. Candidatos devem enviar uma carta de intenção para o endereço eletrônico: http://www.fsrequests.com/newearth

			6. Indicate who will benefit and how; 7. Endeavor to involve those who are served in the planning process; 8. Include plans for replication so that benefits can multiply; 9. Contain an evaluation process to measure success, progress, and future decision-making; 10. Seek community involvement and/or collaboration with other organizations; 11. Be cost-effective with a realistic budget appropriate for the proposed program, and a suitable balance between project related administrative costs and benefits to those served; 12. Have a plan of acquiring future funding from other sources; 13. Have qualified staff/volunteers to carry out the project, with staff qualifications clearly specified; 14. Have images of models/examples, and will provide such regarding work on the project and it's completion.			
15.	Open Society Foundations - Latin America Program EUA	The Open Society Foundations (OSF) work to build vibrant and tolerant societies whose governments are accountable and open to the participation of all people. They seek to strengthen the rule of law; respect for human rights, minorities, and a diversity of opinions; democratically elected governments; and a civil society that helps keep government power in check. The Latin America Program addresses rights and governance issues in Latin America and the Caribbean through grant making, network building, and collaboration with partners. The focus is supporting Latin American and Caribbean efforts to defend democracy and increase governmental transparency, protect minority rights, reduce homicides, and reform drug policy. Contatos latinamerica@opensocietyfoundations.org	Organizations established in the Latin America and the Caribbean.	https://www.opensocietyfoundations.org/who-we-are/programs/latin-america-program	Fluxo contínuo	On-line. Documentos necessários para a candidatura devem ser enviados por e-mail, para: latinamerica@opensocietyfoundations.org
16.	Ramsar - Wetland Conservation Awards 2021 Suíça	The Ramsar Wetland Conservation Awards recognize and honour the contributions of individuals, organizations, and governments around the world in promoting the conservation and wise use of wetlands. Three Awards will be granted in the following categories: 1. The Ramsar Convention Award for Wetland Wise Use; 2. The Ramsar Convention Award for Wetland Innovation; 3. The Ramsar Convention Award for Young Wetland Champions. Contatos award@ramsar.org	Individuals and groups of all nations are invited to nominate individuals, institutions (including government institutions and non-governmental organizations and community groups), or private companies, of any nation.	https://www.ramsar.org/activities/2021-awards	31 maio 2021	On-line, pelo endereço eletrônico: https://contacts.ramsar.org/awards
17.	University of Copenhagen / PosDoctoral in Art and Science Fellow 2021 Dinamarca	The University of Copenhagen is seeking a highly motivated and talented Postdoctoral Fellow to commence October 1, 2021 at the Novo Nordisk Foundation Center for Basic Metabolic Research (CBMR), University of Copenhagen. Benefícios Salary, pension and terms of employment will be in accordance with the agreement between the Danish Ministry of Finance and AC (Danish Confederation of Professional Associations). Non-Danish and Danish applicants may be eligible for tax reductions, if they hold a PhD degree and have not lived in Denmark the last ten years. Note: Depending on qualifications, a supplement may be negotiated. Forma de solicitação Candidates must Apply Online, and include the following documents/attachments – all in PDF format: Cover letter expressing the motivation and previous research experience of the applicant (maximum one page); Curriculum vitae; Copy of the PhD degree certificate and the Master degree certificate. In case the PhD has not yet been completed, a written statement from the supervisor confirming it will be obtained before October 1, 2021 is acceptable; List of publications; References (name and contact details of at least two references).
